

2019 ISA CERTIFIED ARBORIST EXAM ONLINE PREP WORKSHOP

This free workshop for North Dakota residents and NDUCFA members is intended to provide urban tree care practitioners the opportunity to:

- 1) review and clarify information from the ISA Arborist Certification Study Guide.
- 2) help prepare for the Certified Arborist Exam.

Our goal is to increase the number of certified arborists in North Dakota and enhance the profession of urban tree care and community forestry in North Dakota.

Note: This workshop does not include taking the exam. Go to <http://www.isa-arbor.com/> for additional information, dates, locations, etc.

Dates: March 4, 11 & 18 starting at 1 p.m. Central time (see detailed schedule on page 2)

Location: **ONLINE – Wherever your computer is ...** Participate in the comfort of your office OR get together with a group of colleagues in Fargo at the Fargo Public Works Building, 402 23rd St N.

Cost: Free to North Dakota residents and NDUCFA members. If you need a copy of the ISA Arborists' Certification Study Guide, go to: <http://www.isa-arbor.com/store/category.aspx?cid=17>

Registration: Although there is no cost, pre-registration is required by **Monday, Feb. 25:** <https://www.surveymonkey.com/r/examprep19>.

Questions: Contact NDUCFA at office@nducfa.org or 701-355-4458.

This workshop is made possible in part through a grant from the USDA Forest Service and the North Dakota Forest Service.
