#### North Dakota Urban and Community Forestry Association

Established 1985

#### Mission

To increase awareness of the importance of community forestry and to enhance the professionalism of tree care in North Dakota.

#### Vision

To be a national leader and premier resource for community forestry and tree care.

#### Goals

- Promote high ethical standards in the practice of arboriculture.
- Advocate for sound policies and programs conducive to community forestry.
- Establish a recognized voice for community forestry through association leadership and development activities.
